Office and Library: Room 420 Grain Exchange Building,  
167 Lombard Ave., Winnipeg, Manitoba R3B 0T6  
Phone: (204) 944-1153  
Hours: Mon. to Fri. 9:00-11:30 a.m., 12:00-4:30 p.m.  
Office Secretary: Mavis Menzies

The Manitoba Genealogical Society is a non-profit organization formed in 1976 and incorporated in 1982. The Society promotes and encourages an interest in genealogy and family history in Manitoba.

Membership fees for 1987 are \$15.00 for Individuals, \$5.00 for Associates at the same address, \$20.00 for Institutions and \$200.00 for Life. Full members receive 4 issues of Generations, newsletters and general mailings and are entitled to 2 free Queries per year.

Branch fees: Brandon \$3.00; Dauphin \$5.00; Winnipeg \$5.00

## OFFICERS AND COUNCIL 1986

President.....	* Ernest McCallum	Box 41, Carberry, Man. R0K 0H0	834-3049
First Vice-President.....	* Kathleen Stokes	673 Kilkenny Dr., Wpg R3T 3E2	269-2733
Second Vice-President.....	* Bill Olmstead	18 Wedgwood Dr., Wpg R3T 2J8	269-6934
Recording Secretary.....	* Carolyn Lumsden	219 Carriage Rd., Wpg R2Y 0L7	888-5727
Treasurer.....	* Harry Skene	227 Parkville Bay, Wpg R2M 2J6	256-6176

## COUNCILLORS:

Retiring 1986.....	* Marion Howe * Florence Cox	622 Patricia Ave., Wpg R3G 3A6 76 Marshall Cres., Wpg R3T 0R4	269-3595 452-8980

# PROBLEM CORNER

EDITED BY WAYNE NEILY

This quarter, most of the "corner" will be devoted to one problem, since it is a fairly complex one which most Manitoban genealogists have to deal with sooner or later.

Question: Alan Breakey of Bragg Creek, Alberta, writes: "I have tried to obtain information from the Manitoba Department of Vital Statistics but have met with no success. They seem to require that I fill out a form containing the very information that I am seeking before they will give out any information. Needless to say, I find this a little perplexing and I am wondering how this dilemma can be resolved. In essence, I would like to find out how one can get access to government genealogical data when one has only a few concrete 'leads'." (underlining ours)

Answer: The short answer is, "So would I", and so would many other M.G.S. members. We have nearly all experienced similar frustrations in trying to obtain information from Manitoba's Vital Statistics Branch, and some feel that Manitoba shows a greater passion for secrecy of such data than most other jurisdictions.

To give a specific response to your question, we would need more details. In general, of course, they can provide only documentation related to births, marriages and deaths that occurred in Manitoba since 1882, and early years' data are incomplete. You must provide them with the name of the person for whom information is sought, and as much additional information as possible. They do NOT do SURNAME searches, even for unusual names in restricted areas. But, even if you do not know the exact year or location of the event, they will do searches of the files province-wide for \$15 for a 5-year period, and \$1 per additional year.

Two conditions on these searches sometimes cause problems. One is that, except for death certificates, the searcher must be a descendant or relative (or the authorized agent of one) of the person whose records are sought, and the other is that records of persons still living can be made available only to those persons or their authorized agents. The former is a minor problem for most genealogists but the second can be more serious, especially for families that were separated when children were very young, and the searcher may not know whether his parents (grandparents, uncles, etc.) are still living.

The requested procedure here is that the searcher attempt to get a death certificate first. Since the year and place of death aren't known, this could cost \$60 or more and still be fruitless, and is virtually impossible for a woman whose name may have changed through (re-)marriage prior to her death.

A more common problem, however, is that records are found for two or more persons with the name given for the period and area searched. In this case, the V.S. Branch will not give out either or any of them until you can prove which is your ancestor. This may be the Catch-22 situation suggested by Mr. Breakey, when you have to give them the information before they will give it to you. At present, the only solution is to attempt to obtain more information on the individual in question from other sources (for example, the 1891 census), and then get back to the person who did the search at the V.S. Branch and try to make a match with one of the persons found. Be sure to ask, as well, how many persons fitting the name and data given were found, so that you will know the size of the problem.

In the long run, there must be a better way, so we contacted Ms Marjorie Kreton, Director of Manitoba's Vital Statistics Branch (Department of Community Services), 104 - 401 York Ave., Winnipeg MB, R3C 0P8, to get their point of view. She advised that providing information to genealogists is a recognized function of the Branch, although a tertiary one, after a) recording and preserving the records and, b) providing certificates for legal purposes. Most of what we perceive as excessive secrecy derives from the Manitoba Vital Statistics Act, the legislation governing the operations of the Branch, and these acts do vary from one province to another.

She noted, however, that at a recent "Uniform Law Conference" of provincial Attorneys-General, a uniform Vital Statistics Act was drafted and recommended to all provinces. If or when Manitoba adopts this, it will partially resolve our difficulties for the earliest records, since it provides that all records over one hundred years old will be transferred to the Provincial Archives and be made available to the public.

Ms Kreton also clarified a practical problem that they have, and the reason that genealogical searches cost more than legal searches, viz, that records for most years prior to 1900 are not indexed; most are arranged by municipality, but even where that is known, such searches are time-consuming. They do not have the personnel available to index these, and have not been successful to date in getting students for this purpose on summer employment programs. She did suggest that if the M.G.S. were able to get funding for someone to do such a project, that a cooperative arrangement could probably be worked out.

All this may not provide much immediate help to Mr. Breakey, but it does show at least two ways in which the M.G.S. and its members may be able to improve the situation: 1) by urging the Hon. Roland Penner, Attorney-General, and Hon. Muriel Smith, Minister of Community Services, to amend the Vital Statistics Act to eliminate the excessive secrecy requirements, at least to bring it in line with the proposed "uniform" Vital Statistics Act; 2) by developing a project in cooperation with the V.S. Branch for indexing the pre-1900 records. Rumour has it that a resolution relating to this has been proposed for the M.G.S. Annual Meeting January 30, 1987.

In general, the attitude of the V.S. Branch toward genealogical research seems to be more positive than some of us might have thought, and we can also be encouraged by the fact that Ontario Vital Statistics Branch has established a Genealogical Research division. Let us hope that each province recognizes increasingly that, in the long run, the most important values of the data that they preserve are for genealogical and historical research.

**PASSENGER LISTS UPDATE.** Word has been received from the Public Archives of Canada that the project for indexing the ships' passenger lists, mentioned in the last "Problem Corner", has collapsed and no new indices are available. We'll try to get more information for the next Generations.

## HISTORY OF THE BRANDON & DISTRICT GENEALOGY SOCIETY (1978 - 1986) by A. P. McMannis

A growing interest in personal genealogy, in branches and twigs of the Family Tree, stems from the rootlessness of large segments of society. People who no longer identify with a place, a neighborhood or a church congregation, all want the security of belonging. The success of Alex Haley's quest in "Roots" added fuel to the fire.

Two Manitoba Genealogical Society (M.G.S.) members, Mrs. Ruth Tester and Mrs. Gertrude Gross, both seasoned "Ancestry Hunters", decided to do something about forming a local Genealogy Society. On Wednesday evening, 11 January 1978, 42 people attended a public meeting at the Agricultural Extension Centre, Brandon, Manitoba. Mr. Eric Jonasson, President of M.G.S., contacted by Mrs. Tester, attended as guest and advisor.

The original petition for permission to organize was signed by Ruth Tester, Gertrude and John Gross, W.L. and Doris Tomasson, E. Jonasson, Goldwin and Meta McCulloch, Joseph and Marla Gross, Thelma Potter, Mrs. Gilbert Phillips, Gary Palmer, D. Tapp, Nancy J. Simmons, Irene Shand, Jean M. Harvey, K. Smith, and granted by E. Jonasson.

The newly named Brandon & District Genealogy Society agreed that an interim executive hold office until September 1978, when an Annual Meeting would be held. The first Executive covered a varied range of occupations and life-styles. BLAIR LOREE, as President, farms a thousand acres or so with his son at Justice, Manitoba. His records take him back to 1675 to a Huguenot ancestor in France. First Vice President RUTH TESTER's interest began in 1930 with information from her father, Harry Cater, Mayor of Brandon. She now has information back to 1760. GERTRUDE GROSS has served for several years as a researcher of ancestry for the Mormon faith. BARRY REILLY, a teacher in the Brandon School Division, was chosen as Second Vice-President. JEAN HARVEY, a minister's wife, became Secretary. She has done considerable work on Ontario and English records. GARY PALMER, as Treasurer, is researching Mormon ancestry. At the first meeting of the Branch on 1 February 1978, a Program Convenor, PHYLLIS LONG, researching in Canada and England, was added.

Blair Loree and Ruth Tester were interviewed by Kaye Rowe for the Brandon Sun issue of 27 January 1978 to introduce the new group. By March, 39 members had joined the Society and the Brandon Branch.

A start-up grant of \$54.00 was received from M.G.S. Branch news would be included in the publications "Generations" and "MGS News". Branch fees were set at \$1.00 per year (now \$3.00). M.G.S. fees were \$7.00 (now \$15.00). The first few meetings were spent documenting needs of members at a Beginners' Class. Local sources of information were compiled by Barry Reilly. Gertrude Gross outlined source information available through the Mormon Church.

At the June meeting plans were made for about 14 members to start on Cemetery Transcribing under Ruth Tester's direction. This project has gone ahead over the succeeding years until most of the cemeteries within easy driving distance have been transcribed. At our request, a large map of Brandon Cemetery was placed at the Main Gate with information available at the Caretaker's home. In 1980 a grant was received from New Horizons to defray the cost of car expenses and supplies.

December 1978 began a tradition of having a Christmas Dinner Meeting with members, relatives and friends at the Agriculture Centre. Also in June each year, Meta McCulloch of Souris has graciously opened her home to us, to have a picnic on the lawn for the last meeting before the summer break.

Under the direction of Tom Stacey in 1981 and following years, with the exception of 1983, a Genealogy Course has been part of Brandon University's Continuing Education Course. Members give what help they can on a one-to-one basis on two evenings. Gertrude Gross, as part of the course, explains the IGI at the Mormon Church. The Branch has been host to the Annual M.G.S. Seminar twice, in 1982 at the Ag Centre and in 1986 at the Brandon University.

The Ag Centre continues to be "home" for the Branch, as a meeting room is supplied free of charge. However, we are attempting to set up a library. After checking out all other possibilities in the city, Tom Stacey and Eileen McFadden came to an arrangement whereby we have been allocated space in the Brandon University Archives Building. With a grant from the Heritage Foundation, a good deal of work has been done. With the help of a staff of two, so far 1900-1920 BMDs have been carded and the computerized indexes are in the works. Future plans include work on the Library/Archives, Cemetery transcriptions, the Brandon Presbyterian Church records being worked on by Jim Wall, and continuous recording of current Brandon Sun obituaries.

In nine years we have had an interesting variety of speakers on such topics as Photography, Adoptive Children, Manitoba archives, LDS records, Scottish History, Compiling a Family History, Early Life in Manitoba, to name a few. We appreciate the help received from our members and M.G.S. people. Tom Stacey has appeared on our behalf on radio and TV. Ruth Tester, Blair Loree, Phyllis Long and Meta McCulloch were also on TV programs. Blair and Betty Loree worked on an Oral History program, the tapes of which can be heard in the Brandon Public Library.

Past Presidents: 1978 - Blair Loree; 1979 - John Gross; 1980 (part) - Danielle Evanson and Tom Stacey; 1981 - Tom Stacey; 1982 - Ernest McCallum; 1983 - Muriel Bremner; 1984 - Reta McMannis; 1985 - Gertrude Gross.

#### CURRENT 1986 EXECUTIVE

##### Gertrude Iris (Shine) Gross (#122), Past President.

I was born 19 January 1923 at Fort Frances, Ontario, the eldest in a family of four, two girls and two boys.

My father, James Orville Shine, came of Irish ancestors who were part of the Peter Robinson Settlers in Peterborough County, Ontario, in 1825. Descendants in our line moved from that area to Huron County and Rainy River District, Ontario.

My mother, Ethel Christena Bastedo, came of Spanish and Dutch ancestors who were in the original group of United Empire Loyalists coming to Cataraqui, Ontario in 1783. Our branch of this family spread to Niagara Peninsula and Burlington, Ontario, and Estevan, Saskatchewan.

I received my schooling in Fort Frances, Ontario, and graduated from the School of Nursing, McKellar Hospital, in Fort William, Ontario. Shortly after, I married John William Gross of Winnipeg, Manitoba, and raised seven children, 6 girls and 1 boy.

I have been engaged in personal genealogical research for twenty years and am a past president and, with Ruth Tester of Brandon, a founding member of the Brandon & District Genealogy Society.

Currently, with my husband, I am serving a mission for the Church of Jesus Christ of Latter-day Saints in the Brandon area.

Tom Stacey (#496) President.

Tom is a native of Montreal, Quebec, with family roots there since 1870, a mixture of English/Irish/Scottish. Tom is married with two children and two grandchildren, and employed as an instructor in the Department of Psychology at Brandon University.

With an interest in genealogy going back to his youth, when he recalls asking relatives how old they were and where they were born, Tom has been concentrating on this interest for the last 10 years. He became associated with the Brandon Branch in 1979, served 2½ terms as President and is currently Branch Archivist.

While currently researching England and Scotland, Tom's main interests are computer applications in genealogy and compiling family group records for Westman area. He has authored some articles and appeared on TV and radio and is now involved with a project to record Births, Marriages and Deaths in the local newspaper.

Ken Hyndman (#924), Vice-President.

Ken joined the Brandon Branch of M.G.S. in 1984, having become interested in genealogy after finding a number of old letters and documents in the family's possession from previous generations. He farms with his brother 22 miles north-west of Brandon. His area of interest is eastern Ontario, going back to Ireland on one side and England, Scotland and Ireland on the other side.

Alvaretta "Reta" McMannis (#143), Secretary

I was born on a farm near Oak River, Manitoba, second of six daughters of William and Annie (Butterworth) McMannis. After High School in Rivers, I spent four years in the R.C.A.F. Women's Division in Ontario. In 1945 I put away my medals (EBG0 and Bar) and went to Brandon College. After completing a couple of other courses, I spent the next twenty years in the Accounting Deptment of Procter & Gamble in Vancouver and Winnipeg. Presently I am a Volunteer at the Brandon General Hospital.

My father's people came to L'Avenir, Quebec by sail from Ireland in 1832. My mother was born in Leeds, Yorkshire, England and came to Canada before World War I. I joined M.G.S. in 1978 and have worked mainly on cemetery transcribing since then.

Myrtle Grieve (#499), Treasurer

Myrtle was born in Deloraine Memorial Hospital, Winchester Municipality, Manitoba. She is the daughter of Thomas Richard Grieve and Mary Isabella Wallace. She attended Berry Hill Rural School and Medora High School. Myrtle did housework in farm homes in the district of Medora before moving to Brandon in 1967. From 1969 to 1982 she worked as a Dietary Aide at Fairview Home Inc. She is presently doing volunteer work at the Assiniboine Centre and Prairie Oasis Senior Centre.

Myrtle started in genealogy work to learn more history of her grandparents, great grandparents and their families. She is interested in the following ancestral lines: BELL, ELLIOTT, GRIEVE, INGRAM, RINN, RICHARDS, DALGLEISH, JOHNSTONE, OGILVIE, McFARLANE, WALLACE, PHAIR and PAISLEY.

### Ruth Tester (#46), Special Projects Founding Member

Ruth Cater was born and lived all her life in Brandon. She is the eldest child of Harry William Cater and his wife, Eliza Jane Heal. Her father came from Norfolk, England in the late 1880s and purchased the Pump Manufacturing Co. of the late Mr. Reisberry, which he operated for some 50 years until his death. Her mother came with her family from London, England after the turn of the century. She had been trained as a dressmaker and remained in Brandon working while her family moved onto a farm in the Maryfield, Saskatchewan area. The Cater family consisted of three daughters and two sons, Ruth being the only one still living in Brandon. Ruth's husband, Albert Tester, also from England, died very suddenly several years ago. A son and his wife and two children live in Toronto.

Ruth is one of the founding members of the Manitoba Genealogical Society and in 1978 contacted Eric Jonasson and asked him to come to Brandon to talk to interested people about forming a group here. As a result, we formed the first Branch of the Manitoba Genealogical Society. We have recorded over 80 cemeteries in this area of Manitoba and copies have been supplied to M.G.S., the Provincial Archives and Brandon Public Library.

### Merle Flynn (#1038), Publicity

Merle was born at Isabella, RM of Miniota, Manitoba, the third daughter and fifth child of a family of seven born to Ralph Arnold Phillips and Hazel Rose Reid. She went to school in Foxwarren and Isabella. Married to George Flynn of Birtle, they have three children: Dawn, Deborah and Douglas, and seven grandchildren. George Flynn was a Navy man, later farmed and worked at the Birtle Collegiate. He and Merle are now superintendents at Winnipeg House, a Seniors' complex in Brandon.

The Phillips and the Reids both came from the Ottawa Valley area of Ontario, to Brandon. George Phillips (wife, Emma Norton) was a tinsmith. They later moved to Isabella and the Reids moved to the Hamiota area. Ralph Phillips and Hazel Reid were married in the recently burned Central United Church in Brandon.

Merle's interest in genealogy began when her daughter was born, with a family tree in her baby book, and later through a search of Military Records from Ottawa covering members of the military in her family.

The Brandon & District Branch wishes to thank all those who have given valuable assistance over the years and will endeavor to uphold the high standards of the Manitoba Genealogical Society in the years to come.

### **THE DAUPHIN BRANCH OF MANITOBA GENEALOGICAL SOCIETY**

The Manitoba Genealogical Society (M.G.S.) was organized in 1976 under the leadership of Eric Jonasson. Those joining prior to July 31, 1976 became known as "Founding Members." Founding Member Jean Tucker, of Dauphin, thought it would be useful to her community to have a Branch of M.G.S. to help struggling family historians. She set about contacting the local newspaper and radio station. An article in the Dauphin Herald written by John Halliwell after interviewing Mrs. Tucker in February 1978, sparked some interest which encouraged her to continue the effort. She contacted CKDM's Helen Henderson, who in turn publicized her request to have interested persons contact her.

On September 19, 1979 a meeting of those interested persons was held at the Dauphin Public Library for the purpose of forming a Branch of M.G.S. It was necessary to have the signatures of at least 15 people on a petition in order to have Branch status given to the new organization. The following are the "Founding Members" of Dauphin Branch:

Jean Tucker	Dauphin
Adeline Boyechko	Dauphin
Shirle McGimpsey	Dauphin
Violet Leslie	Dauphin
Yvette Therrien	Laurier
Pierrette Labelle	Laurier
Marcelle Sul	Ste. Rose du Lac
Cheryl Cockerill	Roblin
Annette Sanders	Roblin
Eleanor Lenderbeck	San Clara
Vina Cockerill	Roblin
Ruth Angus	Roblin
Eleanor Anderson	Valley River
Bill Miller	Dauphin
Joyce Lenderbeck	San Clara

The first slate of officers was as follows:

President: Eleanor Anderson  
Vice President: Shirle McGimpsey  
Secretary-Treasurer: Violet Leslie  
Special Projects Coordinator: Jean Tucker

Meetings were held monthly at the library. Because of the increased use being made of the microfilm reader-printer, the Director of Parkland Regional Library had the machine moved to the Public Library at the request of Dauphin Branch of M.G.S.

On November 10, 1979, Eric Jonasson came to Dauphin to address the fledgling group. His topic was "Collecting Biographical Material for Your Family History" and he related a number of ways in which information in local newspapers could be of great assistance to researchers. This motivated the Dauphin branch's efforts toward indexing death notices and obituaries in early local newspapers as well as current ones. This project, coordinated by Jean Tucker with assistance from Eleanor Anderson and Evelyn Ayers, has been an on-going and valuable project. It has been referred to often in order to answer queries from people whose ancestors once lived in this area.

The next project undertaken by the Dauphin Branch was transcribing the Riverside Cemetery and, later, a number of smaller cemeteries in the Parkland region (Kild, Kosiew, Fork River, Valley River, Laurier, Kinnesota). In May 1980, Mr. and Mrs. Mack Cyluck came to Dauphin to instruct the group on methods for cemetery transcribing.

Over the past seven years, the Dauphin Branch has attempted to bring in new members by setting up displays at library, shopping mall, Allied Arts building, and Fort Dauphin Museum. Help to new family historians has been provided through conducting workshops and inviting interesting and informed speakers to address meetings, including Gordon Dodds of Provincial Archives; Del Snodgrass, local historian; Stella Hryniuk, Professor of Ukrainian Studies at University of Manitoba; Ruth McDormand, retired librarian; Eric Jonasson, Ruth Breckman and Flo Cox of M.G.S. This year we have started an adoption plan. Seasoned family historians will "adopt" a beginner for a few months to help him or her get started on family history research.

In 1983 Faye Hickey made arrangements for a group of Branch members to go to Salt Lake City, Utah to spend a week doing genealogical research at the LDS Main Library. This was a highlight event for Dauphin Branch.

Another highlight event was Seminar '84 which was held at Dauphin. Our Branch does not have a large membership, so everyone had to give their very best effort to make the Seminar the great success it was.

The following are the presidents who have led our Branch in its seven successful years:

1979 - 1980	Eleanor Anderson	Valley River
1981 - 1982	Shirle McGimpsey	Dauphin
1983 - 1984	Jean Tucker	Dauphin
1985	Faye Hickey	Dauphin
1986	Jean Rosenkranz	Ste. Rose du Lac

Currently, Dauphin Branch members meet the last Thursday evening of each month, except July, August and December, at the Rural Municipality of Dauphin meeting room. Our membership averages between 20 and 25 members each year, and the membership fee is \$5.00.

Jean Tucker

## I'M A GENEALOGIST

by Thelma Findlay

I knock on strangers' doors,  
Phone common surnames,  
Visit with relative tombstones,  
Record and record and record!

People wonder, "Poor little Dear!  
Searching a family - the end is not near!"

The old biddies keep mum;  
The old gents know only some;  
Aunt Jessie will tell all,  
Aunt Sally will call "foul".  
Tracing a family tree - what fun!

Aunt Martha married thrice.  
Relatives flinched, remarking "That's nice!"  
Uncle George was such a bore;  
Being a professor, he supposedly knew more?

Cousin Julie liked the boys.  
When she married - what a noise!  
Cousin Alfred died young,  
Praised by all, but not for long!

Granny Jones was a busybody;  
To her, most everyone was "la de da de!"  
Grandpa Smith had quite a talent,  
He was Gramma Smith's "Prince Valiant".

Tracing a family tree - what fun!  
So much family research yet undone!

I'm a genealogist -  
As you might have guessed!

## WINNIPEG BRANCH HISTORY

In November, 1978, twenty-nine members of the Manitoba Genealogical Society (MGS) petitioned the Council of the Society for permission to organize themselves into an official Branch of the Society. The first president of this group was Susan Cote, who was elected and served in 1979.

Others who were elected and served as President of the Branch were Bill Cottrell 1980, Madeline Cyluck 1981, Florence Cox 1982-1984 (now Past President), and Margaret Sheridan, 1985-1986 and re-elected for 1987.

During the year 1979-80, a Beginners' Workshop was organized. This course was held twice per year, spring and fall, and continued for twelve weeks each session. Fourteen members attended the first course. Cemetery transcribing began at St. John's Anglican Cemetery at the same time, and this has continued throughout the city and the province as a Special Project of the Society to which the Winnipeg Branch have lent their support. Quite a large collection of transcribed cemeteries is now housed in the library of MGS at 167 Lombard Avenue. A translation service through the Ukrainian Cultural Centre also was set up during this time. This assisted members with the translation and interpretation of letters and documents in foreign languages.

In the beginning, the Branch met at various places in the city until space for meetings and the library was generously provided at the Teachers Library and Resource Centre, 1180 Notre Dame Avenue. When the Society was required to move from the Resource Centre, the Branch again met in various places in the city until they could arrange for space at the Museum of Man and Nature. The Branch now holds its meetings every third Thursday, September to May, in the Classrooms of the Museum.

From an inaugural membership of 29, membership has grown to 88 in 1980, 121 in 1981, and approximately 157 in 1986. Our membership fee began at \$2.00, was increased to \$3.00, and now remains at \$5.00 for 1987.

In 1980, the members of the Branch supported MGS with a project to gather information from obituaries in the Winnipeg Free Press, the Winnipeg Tribune, and the Winnipeg Sun, and from many rural papers, and transfer this information to computer cards. This project covers the time period 1880 to the present and is ongoing.

Many organizations have given us assistance over the years: the University of Manitoba, the University of Winnipeg, the Ukrainian Cultural Centre, Hudson's Bay Company Archives, Provincial Archives of Manitoba, the Manitoba Historical Society, Winnipeg School Divisions, Church of Latter Day Saints Library, Winnipeg Public Library, Elizabeth Dafoe Library, to name but a few. They have provided us speakers and counsel in many ways.

Our branches from Dauphin and Brandon must not be overlooked for their contributions to our meetings and seminars. Our members and the members of MGS should be credited also; they are the roots that support us as we reach out into the community, to seek and share our common human existence.

As we compiled this brief history of the Winnipeg Branch, one name appeared in the minutes from the inaugural meeting to the present time. That person has served as councillor, recording and corresponding secretary, treasurer, vice president, president, past president, and is still going strong! You will find her in the MGS office most days, willing to help whenever, wherever she can. Thanks to Florence Cox for her dedication to the Manitoba Genealogical Society and, in particular, to the Winnipeg Branch. We would not exist without you!

Margaret Sheridan, President, Winnipeg Branch  
Eleanor Corbett, Secretary, Winnipeg Branch

# OFFICIAL LIST OF FOUNDING MEMBERS

This list contains the names of the official FOUNDING MEMBERS of the Manitoba Genealogical Society. The term Founding Member is reserved for those people who became members of MGS prior to 31 July 1976 by submitting their fees and applications. Founding Members enjoy no special privileges or rights over other Individual or Institutional members of the Society.

## BIOGRAPHIES

### ERIC JONASSON, M.G.S. #1

Eric Leonard, son of Victor Otto Jonasson and Eileen Margaret Dipple, was born in 1948. He was married in 1974 to Elizabeth Cazakoff, daughter of John Cazakoff and Marion A. Chutskoff of Kamsack, Saskatchewan. They have two children, Erin and Kristjan, both born in Winnipeg. Eric was raised and educated in St. James-Assiniboia, where he presently resides.

Eric became involved with genealogy in 1968 when he received a family history on one branch of his father's family which his great-great-grandfather had commissioned shortly before emigrating to Canada from Iceland in 1881. This piqued Eric's curiosity and prompted him to research further into this aspect of his heritage, which was later extended to include his mother's French-Canadian and German-Canadian background. His wife, Elizabeth, has Russian-Doukhobor ancestry.

The Manitoba Genealogical Society was founded in June 1976 through the efforts of Eric Jonasson, who was chosen as its first President at the inaugural meeting, a position he occupied until the end of 1979. During his tenure of office, Eric was involved with virtually every aspect of the operation of MGS. Liz Jonasson was the first Corresponding Secretary and later became Recording Secretary and Chairman of Special Projects. Eric coordinated the 1981 Seminar.

Eric has written over 70 articles dealing with historical and genealogical themes, is a contributing editor to a number of genealogical periodicals, and has published three books: Tracing Your Icelandic Family Tree (1975), The Canadian Genealogical Handbook (1976, rev. 1978), and Untangling the Tree (1983). He has lectured across Canada and the United States on genealogy since 1978.

Eric was employed in the mapping industry for almost 12 years and established his own company in 1975. In 1979 Eric entered the publishing field on a full-time basis and is presently owner/operator of Wheatfield Press, Winnipeg. He has been involved with the Icelandic cultural community in Manitoba and has served on the boards of the Manitoba Historical Society and the Red River Valley Heritage Society. He was recently elected as a School Trustee for St. James-Assiniboia School Division.

### IRIS M. G. ROSSER (WALKER), M.G.S. #11

Iris was born in Vanguard, Saskatchewan. Her mother, Gladys (Gunn) Walker had come from England on the "Virginia" in May, 1906, to Crystal City, Manitoba with her mother, aunt, uncle and cousins. Her father, J. E. Gunn, had arrived in 1903. The Gunn family moved to Val Marie, Saskatchewan, 90 miles south of Swift Current, in 1911. Iris was educated in Saskatchewan and the States and in 1936 married John Rosser, who had come to Canada from Pontypridd, Wales in 1928.

In 1941, because of the depression and drought, they sold everything and left the farm, heading east in a half-ton truck with 2 young children. Close friends in Selkirk, the Railtons, encouraged John and family to stay and try for a job at the Manitoba Rolling Mills. Within five weeks, John was able to get work and find a house. Iris still lives at the same address in Selkirk. John passed away in 1983.

Iris and John had 6 children, 5 boys and a girl. Iris now has 20 grandchildren and 5 great grandchildren. They fostered 13 children, including one little Eskimo baby.

Iris's mother was extremely interested in genealogy, and the family talked a lot about where they came from. Iris went to Milwaukee and Racine, Wisconsin, traced her family back to 1635 and found a book, "The Walkers of Plymouth Colony" about one branch of the family who left England on the "St. Elizabeth."

Her grandmother's family, mostly Pennsylvania Dutch, have been traced back to early 1700 with recent exciting leads. Both great grandfathers fought in the American

Civil War. Iris was able to interest some cousins and they put together a masterpiece of information with encouraging new and exciting leads. Iris's maternal grandmother was born in Nottingham, England. Her grandfather was English and Welsh and Iris has traced these families back to the early 1700s, visiting England and Wales once.

Friends in Winnipeg, Madeline and Mack Cyluck, were interested in genealogy and heard Eric Jonasson on radio or TV. They, along with Iris, arranged to meet with him and helped to lay the groundwork for the formation of M.G.S. They subsequently attended the inaugural meeting in June of 1976. Iris was charter member #11. She signed up as the first Librarian and contacted other organizations for examples of what systems were most rewarding to use, as well as ideas on what books, etc., should be acquired, and what policies might be adopted for use of the library by members.

In addition to genealogy, Iris works as a volunteer in a Public Library, and enjoys quilting, baby sitting, reading, visiting the elderly, and being librarian for her LDS Church, serving members in Selkirk and surrounding area. She has held a valid First Aid & Home Nursing Certificate since 1957, and also holds a certificate covering Home Care requirements, one of the first to be issued to Home Care Workers in Manitoba. She was a charter member of local CAMR, formed in 1956 in Selkirk and served over 10 years, and is now an honorary member.

#### PAT THOMASCHEWSKI (DRYDEN) M.G.S. #16

I was born in Huntsville, Ontario in 1938 and after the war we moved back to the farm in Domain, Manitoba. I have two younger sisters.

I attended grade schools in Domain, Ste. Agathe and Sanford. After two months at Success College I worked for the CN Telegraphs in Winnipeg.

In 1958 I married Frank Thomaschewski and we settled on the family farm in Starbuck. I help with all aspects of the farm and am chief combine operator during harvest.

We have three children and four grandchildren. I have worked at various jobs over the years: parts person at Chabot Imperial in Elie; Teacher's Aide; taught Driver Education and owned and operated Pat's Driving School. At present I have been a councillor for the R.M. of Cartier for nine years. I'm vice president of the Domain Legion Branch 208 where I've been an associate member for 12 years. I have served on various United Church committees as well as singing in the choir. As a founding member of MGS, I have been involved in a few committees, vice president and for a couple of months as president.

At present, I'm researching four families in Ireland, Scotland and Norway. My interest in genealogy began when I saw an advertisement about the founding meeting of MGS and attended.

Marilyn became a founding member when she was living in The Pas and saw Eric Jonasson on TV. As a child she became curious about her grandparents and ancestors as she listened to stories at family gatherings. She became a full-fledged genealogist when in the fall of '69 she wrote a letter to England and received an overwhelming reply. With the help of a friend, she constructed the necessary charts and forms. Since then, she has been putting the flesh on the skeleton, and has written family histories on her mother's paternal branch, both her parents, and also her husband's family. She has also transcribed Dominion City Cemetery for M.G.S.

The oldest of five children, Marilyn was born at Virden and lived in Manitoba all her life. Her parents were born and raised in Elkhorn. Her paternal grandfather came to Canada from England, joined the army and went back to England for WWI, returning with a bride. Her mother's parents, originally from Scotland and England, came to Manitoba from Bruce County, Ontario. They settled at Lippincott, near the Saskatchewan boundary.

In 1968 Marilyn married Edwin John Clayton, whose work with the Imperial Bank of Commerce has taken them from Killarney to Virden, Kenton, Elkhorn, The Pas, and now Dominion City. They have four children, one boy and three girls, ages 6 to 16.

At present, her plans are to look at the 1891 census. Most of her research is in Canada, since she is a 7th generation Canadian. She is also thinking about computerizing her family history data.

GERALD BROWN, MGS #34

Gerry is a Founding Member of MGS. He saw a notice in the paper and attended the first meeting and has been active ever since, serving as Vice-President, Recording Secretary, Corresponding Secretary, Councillor, Education Chairman, 10th Anniversary Co-chair, and has organized a number of seminars.

Born in Vista, Manitoba, Gerry is the only son of Dorothy and Harold Brown. His grandparents on both sides homesteaded in the Rossburn area. The Browns came from Niles, Ohio and England. The Cormacks came from Scotland as a result of the potato famine. The two Stitts who came to Manitoba were members of the family that named Stittsville, Ontario. There are now over 278 Stitts in Manitoba, at last count. The Cope ancestors came to the Russell area from Antrim, Ireland.

After taking teacher training at Brandon University and teaching school for a few years, Gerry studied Library Science in Kalamazoo, Michigan, and is now Chief Librarian for the Winnipeg School Division.

As an avid reader, Gerry took great interest in the scrapbooks kept by his grandmother and aunts, recognizing that this was more than just nostalgia. A natural development was the "family Christmas letter" containing news of all the relatives. Then he began to send an updating form to the grandparents, who seemed to know a lot more than the parents! This is now an annual ritual. As his work involved a lot of travelling, Gerry was able to combine his travels with visits to relatives and keep up-to-date on his family history.

He plans to continue visiting and interviewing, as he works on documenting the four main branches, on which 85% of the statistics are now complete. He is also cataloguing an extensive photo collection.

In addition to his involvement with genealogy, Gerry has been associated with the Manitoba Opera Association for 15 years, the Philharmonic Choir since 1965, and enjoys golf, swimming, reading, and dancing. His greatest enjoyment comes from using his skills to help others help themselves.

# PERSONAL PROFILES

## M.G.S. VOLUNTEERS & STAFF

### RUTH BRECKMAN (FORRESTER) MGS #243

Ruth Forrester was born on the family farm near Emerson, SW19-1-2E, the youngest of five children. Her parents, Willo Forrester and Marjory Lovering, were both born in Manitoba. She attended the Post Road country school and continued her education in Emerson and Dominion City, becoming the bride of Gordon Breckman soon after graduation in 1951. They lived at Lundar until 1954 when Gordon re-joined the Canadian Forces. After living in various places in Ontario, Germany and Nova Scotia, the Breckmans settled in Winnipeg with their two children, Douglas, born in 1952, and Susan, born in 1955. Susan and her husband John Kushniruk live in Portage la Prairie with their son Jaryth. Douglas recently moved to Quebec City.

While the children were growing up, Ruth was an active and dedicated volunteer, with extensive involvement in all levels of the Girl Guide organization for 15 years. She became interested in genealogy when her father's cousin gave her brother a family tree. After attending an MGS Seminar, she started going to Winnipeg Branch meetings and then became Membership Secretary for MGS - the "beginning of the end!"

Having served as Membership Secretary, 2nd Vice-President and President, Co-Chair of the 10th Anniversary Committee, and Chair of 2 seminars, Ruth is currently Education Committee Chair. She played an active role in the formation of the Manitoba Heritage Federation and is now the President of this umbrella organization as well as the representative for M.G.S. She is also one of the 3 members of the Planning Committee of the newly formed Canadian Federation of Genealogical and Family History Societies and will be speaking in this capacity at the 1987 seminar of the Ontario Genealogical Society in May.

GORDON BRECKMAN, MGS #753, was born in Winnipeg to Icelandic parents who lived in Lundar. He attended school in Winnipeg and took over the automotive agency in Lundar after his father died. After one year of university, Gordon took time off to serve in World War II in Canada, the Aleutians and Europe. Continuing his education after the war, Gordon obtained a degree in Chemical Engineering. He again served in the Canadian Forces from 1954 to 1970, then took teacher training in Vocational Industrial Arts at Red River College and was employed by the Winnipeg School Division until his retirement in 1986.

Gordon and Ruth enjoy collecting family stories and interesting anecdotes and make use of modern technology, such as tape recorders, slides, videotaping and the computer in recording their family history.

The Breckmans have many interests and especially love outdoor activities, like camping and canoeing. They have plans for travelling in their leisure time and hope to visit Iceland, United Kingdom, United States, as well as seeing more of Canada.

### CAROLYN LUMSDEN (BATHGATE) M.G.S. #201

Carolyn says she has always been interested in genealogy. When her mother-in-law gave her a "family history" book prepared by a relative, she saw that the book was not done properly, and she decided to re-do it. That's when she started into genealogy in a serious way and joined MGS in 1977.

Carolyn has been working as a volunteer at the LDS Library for three years, and is the new Recording Secretary at M.G.S.

Born in Kenora, Ontario, and raised in Saskatchewan, Carolyn met Chuck Lumsden, got married, had two children, and became a teacher. The Lumsdens have lived in Regina, Victoria and Halifax before making their home in Winnipeg, where Carolyn teaches at Shaughnessy Park Elementary/Junior High. Her mother was born in Saskatchewan of English parents (father was a Barnardo boy). Her father was born in North Dakota to an Iowa-born mother and a father from Ontario.

Besides genealogy, Carolyn enjoys sailing with her husband, travelling, computers and knitting (on a machine!). Her research has taken her to the United States, Scotland and England as well as Canada.

Carolyn's current project is a book on the Bathgate descendants in Canada.

#### ERNEST MCCALLUM, MGS #428

As a member of an extended family who did a lot of visiting, Ernest was curious about all these people who were related and asked a lot of questions. He talked to everyone he knew and it wasn't long before he had so much information, he had to start writing it down. Then he gave it up for a while.

When M.G.S. had a seminar in Brandon he became a member and revived his interest. Now he would ask different questions, but most of the elderly relatives are gone.

Ernest and both his parents were born and raised in Manitoba. He has one sister. His grandparents came to Manitoba from England, Scotland and Ireland via Ontario. They settled in the Roland and Nelsonville area. Ernest attended a one room school at Warrington Post Office near Roland, then went to school in Roland. He worked in the Royal Bank in Roland for three years, then worked one year with his father operating a Car & Truck, Farm Machinery and Bulk Fuel dealership. He is now Administrator (or Secretary-Treasurer) for the Municipality of North Cypress and the Town of Carberry.

The father of four children, ages 13-19, Ernest likes reading, music, and breeding and showing Pekingese dogs. He serves on the board of the Manitoba Heritage Federation as a representative of the local museum in Carberry.

Ernest, President of M.G.S. for 1986, has also served as 2nd Vice-President, Chairman of Brandon Branch, and co-chaired two seminars.

#### ELIZABETH BRIGGS, MGS #484

Elizabeth Briggs was born in Brynmenyn, Wales in the parish of St. Brides Minor, Glamorgan. For many years she lived in Porthcawl and was fortunate enough to pass the infamous 11+ examination. This entitled her to attend the Bridgend Girls' Grammar School. The first five years at the school concentrated on preparation for "O" level. The sixth form was devoted to "A" level studies. Liz received "A" level passes in Botany, Zoology and Chemistry. As a result of her delinquent behaviour during her salad days, she and her friend were the only sixth form students who were denied the responsible status of being prefects. The administrators relented on the basis of the "A" level examination results and they were forced to concede defeat and give her a prize for achievement!

College days were spent in Portsmouth, Hampshire. During this time Liz studied at the College of Education and Colin was employed as a graduate student at the College of Technology. They attended the same concerts at the Guildhall, they were members of the foreign film society and they patronized the same Chinese restaurant for the Saturday luncheon specials. Their paths finally crossed when they met in Winnipeg!

Their interest in genealogy was catalysed during a gourmet dinner at John Templeton's home. From this time, there was no looking back, the bug was caught. Now the Briggs family have John Templeton hooked on the advantages of a super computer program for family historians.

Elizabeth is Past President of MGS and Co-Chair of Seminar '87.

FLORENCE ANNE COX (DAVIDSON), MGS #217

I got started in Genealogy in 1977 when I saw a small notice in the newspaper telling about the Society. I thought I would like to do something about it but, as my husband, Tom, was very sick and I was nursing him at home, I knew I wouldn't be able to get involved. So I asked my mother what she knew. She had the Family Bible from her mother in London, England and it had all her family's births and marriages. I also wrote to my dad's sister at Melita for information about my dad's family and she also sent me pictures. When my husband passed away in April 1978, I had already joined M.G.S. and started going to the meetings in the fall.

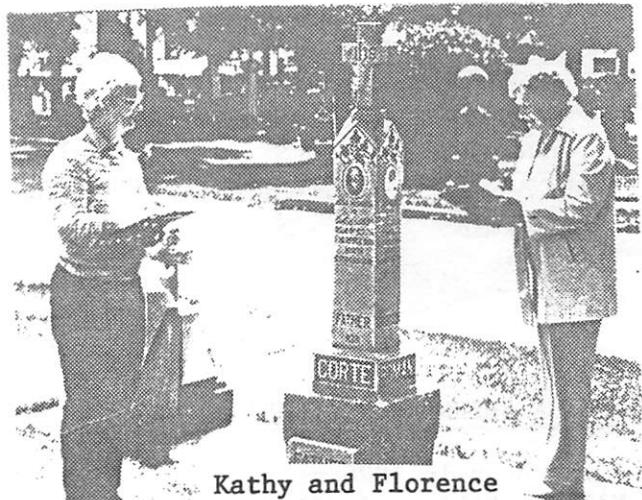

I was born in Winnipeg in 1922 where my grandparents lived, at 1443 Pacific Avenue. But my dad had got a Homestead at Hodgson, Manitoba and we went there to live when I was one month old. In January 1923 the house burned down early in the morning, so we came back to Winnipeg and my dad found all sorts of jobs. One was looking after the cemetery at Rivercrest and we lived in the house there. My dad got a job at Minto Armories in 1926 as Artillery Caretaker, from which he retired in 1960. We lived on Madison Street in St. James until 1946. I went to Britannia and Assiniboine Schools and to St. James Anglican Church.

In June 1947 I married Tom Cox and we had six children, 1 boy and 5 girls. I have ten grandchildren, 9 girls and 1 boy. My grandfather was born in Aberdeen, Scotland and he moved to London, England and married my grandmother. They moved to Canada in 1906. My father went back to England in the First World War and met my mother. She came here to marry him in 1921. Her father was born in Wales and her mother in Birmingham, England.

I have been Vice-President and Councillor of M.G.S. I was Secretary of the Winnipeg Branch and Chairman for 4 terms. I am now Past Chairman and Office Manager for M.G.S.

KATHY STOKES, MGS #125

Kathy is a fourth generation Winnipegger. She holds a B.A. and B.S.W. (Social Work) from the University of Manitoba. Her husband, Bob, is also an MGS member, and they have three sons. Since 1981 Kathy has been Chairman of Special Projects and for the 10th Anniversary of the Society she edited An Index of Marriage and Death Notices from Manitoba Newspapers 1859-1881. Since she joined M.G.S. Kathy has coordinated Membership and served as Vice President. She has also been a speaker at two MGS seminars. Her special interests are English and Danish ancestry.

Kathy and Florence

MAVIS HELEN MENZIES (VAN SCHOONHOVEN), MGS #718

I was born in 1944 in Sioux Falls, South Dakota. My father, Iral Kenneth Van Schoonhoven, was a radio instructor during the war and later a Junior High Science teacher. My mother, Margaret Frances Mazachek, was very occupied at the time with the care of my sister, Frances Marie, born a year earlier, and myself. We stayed in Sioux Falls until after the war and then moved to Rapid City, South Dakota. My mother, a retired secretary of the Rapid City School System, still resides there. My father passed away in 1984.

I was very active in 4-H in Pennington County for 10 years, receiving many purple ribbons for demonstrations and exhibits. I attended the 41st National 4-H Congress in Chicago, Illinois in 1960. My interest in home economics led me to South Dakota State University to receive in 1967 a Bachelor of Science Degree majoring in Home Economics Education.

My husband, Walter John, was majoring in Physical Education at Brookings when we met. He was born in Holland, Manitoba in 1941, son of John Hamilton Menzies and Selma Lillian Miller. Walt graduated from South Dakota State in 1966, returning to Winnipeg to teach. My grades improved immensely after he left the scene! After a year and a half the sparks didn't fade, so we were married in Rapid City in 1967. We moved to Transcona and I taught Home Economics/Food at Arthur Day Junior High from 1967 to 1974, also being the Home Economics Coordinator in the Transcona-Springfield School Division #12 for five years. In 1973 I became a Canadian citizen.

John Iral, our 10-year old adopted son, attends Neil Campbell School, the French Immersion program. His participation in hockey fills many of our nights and weekends. Walt also plays hockey for Bronx Old Timers and teaches at Sisler High School.

My hobbies and interests are crafts, including Stained Glass, collecting antiques, and, of course, genealogy. I became interested in genealogy in 1981. Having an original picture of one of my great great grandfathers in his Civil War uniform, Candy Kelner suggested I write to the U.S. National Archives and obtain his war record. She also introduced me to M.G.S. I have traced some of my father's Dutch side back to the 1600s in New Jersey and New York. My mother's father, Cyril Mazachek, was born in Babice, Czechoslovakia and his wife's parents, the Havels, also came from Czechoslovakia. My research is very limited on those lines.

I volunteered as a librarian at the LDS (Mormon) Genealogical Library in Winnipeg for two years. I also volunteered at the MGS office in the Royal Towers. I was very happy to be hired for the position of Secretary of the MGS in October, 1985, and thoroughly enjoy helping people with their genealogical research.

LOUISA SHERMERHORN (DOBIE), MGS #567

I was born in 1926 near Paynton, Saskatchewan, the eldest of four children of Thomas Miller Dobie and Ella Harris and named Louisa Jane for my grandmothers. Dad was born in 1892 in North Dakota (of Canadian parents), the youngest of 9 living children, the eldest having been born in Ontario in 1872. After grandfather Dobie died in 1904, my grandmother moved to Saskatchewan with her four sons, leaving married daughters in the U.S. Thus, about half of my cousins are American and half Canadian. Mother came to Canada from England in 1903.

Except for the odd diversion into politics, my families were farmers. In 1952 I married Calvin Luke Shermerhorn, son of Myron F. Schermerhorn, born in New York State but growing up in Ontario, and Olive Lily Luke, who came to Canada in 1905 from England.

We have two children, Marilyn Marie and Glen Douglas. Marilyn lives in Winnipeg with her two sons. Glen is with the RCMP in Nova Scotia. He has three daughters.

After matriculation from Paynton Consolidated School, I attended Normal School in Saskatoon and taught for a few years in rural Saskatchewan, but currently work as a Library Technician in a High School library. I completed my B.A. by attending evening school from 1969-1978 (part of the time driving from Gimli). Calvin was with the Canadian Forces (RCAF) for over 35 years which enabled us to spend 7 years in France and Germany, as well as see some other areas of Canada.

My hobbies are reading and sewing, and recently I have actually learned to take pictures of photographs. Calvin is an amateur radio operator and a musician.

(Louisa has been Librarian for MGS for four years).

#### THELMA FAY FINDLAY (WESLAK), MGS #820

In April, 1982, while completing the little family tree that was part of my daughter's baby book, I discovered that I didn't even know my grandparents' first names or exactly where they came from. I started collecting family information from my memory, then I rounded up all the pictures and started sorting them out amongst the different pages I had for the relatives. After this, I collected any paper materials that had information on these relatives, such as wedding invitations, obituaries, etc. These provided more information to add to the data sheets. From there, I queried my parents and grandparents and it is definitely never ending and still continues!

I was born on March 13, 1958 in Winnipeg, Manitoba to Stanley Earl Weslak (Wasyluk) and Marion Nahnybida, of Ukrainian/Polish origins. I have three brothers and one sister. I married Gavin Douglas Findlay in 1978 and we have two children, Samantha Fay and Gavin James. Although my favorite pastime is genealogy, I do spend time crocheting and knitting and enjoy the company of my children.

I have served as Editor of the MGS News and presently edit the Queries column of Generations.

#### MARION HOWE, MGS #750

I was born on a farm near Swan River, Manitoba. During my elementary school years I attended one room country schools, later "boarding" in Swan River to complete high school. After graduation I attended the Provincial Normal School in Winnipeg before embarking on a career as a teacher. After teaching in a rural school in Manitoba, I decided there must be an easier way to make a living, so I headed for the big city of Regina. Here I spent several years in office work for the Provincial Government.

My husband, Clayton and I, were married in 1962. Four years later, we welcomed our first child, a daughter Cheryl, to be followed in 1971 by a son, David. In 1978 my husband's work brought us to Winnipeg, where we have resided since.

I am of British descent. On my father's side, his paternal grandparents emigrated to Canada in 1869 from the Norfolk/Suffolk area of England. His mother and maternal grandmother came to Canada in 1894, from the Yorkshire area of England.

My mother's father was born in the United States of parents who had been born in Canada. Her mother had been born in Lancashire, England of parents who were born in York, Yorkshire.

I have been a member of MGS since 1982. At present, I am an executive council member for 1986.

My interest in genealogy began with a collection of old letters! My paternal grandmother was 14 years old when she emigrated to Canada with her mother and sister in 1894. Soon she began corresponding with dear ones left behind in England: cousins, uncles, former teachers - a practice she was to continue until her death in 1939. The letters she received from England were treasured and tucked safely away in drawers.

During a visit to my parents' home my brother sisters and I began reading through these letters and became quite enthralled, with so much family history being contained within their pages. As I was the most interested, the collection was passed on to me and all the names, dates and events recorded in the letters became a base from which I began my genealogical research on that branch of the family.

#### BARBARA PAGE (WARD), MGS #142

I was born in Dauphin, Manitoba in 1934, the eldest twin daughter of John Ward and Alberta Lee. I have four sisters and two brothers. Both my parents and two grandparents were born in Manitoba. My roots go back to England, Scotland and Ireland (and possibly Wales) via Ontario, Quebec, Nova Scotia, and the United States.

In 1955 I married Charles "Chuck" Page and we have two boys and one girl. Two of them are married and we have one grandson. We have been in Clandeboye (35 miles north of Winnipeg) since 1973, and spent 17 years in Winnipeg before moving to Clandeboye. I've also lived in Dauphin, Hull, Kingston, Vancouver, Courtenay, Regina, and Saskatoon.

My interest in genealogy was kindled after reading an article in Chatelaine and in 1977 I discovered MGS but didn't have any involvement until I became Publications Chairman and editor of Generations four years ago. I'm an active member of the United Church and presently Secretary of Selkirk Presbytery. I deliver Meals on Wheels in Selkirk, enjoy reading, sailing, dancing and using the computer. Over the years, I have worked as a secretary/steno and as a swimming instructor, in addition to many volunteer activities. My husband and I operate a small business out of our home. He was an air traffic controller until his early retirement in 1984.

The following are short biographies that were included with the nomination forms for 1987 MGS Council.

#### MARGARET SHERIDAN, MGS #816

Margaret is a successful Winnipeg Real Estate Agent. She has been President of Winnipeg Branch MGS and representative to MGS Council for two years. Margaret has many community interests and she is President of the St. James Family Y.M.C.A. and a member of the Board of Governors of the Metro Winnipeg Y.M.C.A. Her special interests are early Ontario, English, Irish and Scottish genealogy, and computers.

BILL OLMLSTEAD, MGS #959

Volunteers "stuffing" MGS News

Bill is the Personnel Manager of Bay Bronze Industries Ltd. He was elected second Vice President of MGS for 1986 and later that year was an invited speaker at the 10th Anniversary Seminar. For some years, Bill has assisted Special Projects by indexing books. He is serving his second term as President of the Olmstead Family Association. Bill has been kept busy as corresponding secretary of the United Empire Loyalists Association of Winnipeg. His special interests are early English ancestry, maritime family history, and computers for genealogy.

CANDY KELNER, MGS #616

Candy is a qualified Teacher Librarian. She was co-chair of Seminar '85 and is co-chair of Seminar '87. Since January 1986 Candy has served on the MGS Council. Candy has also held office in the Winnipeg Branch of MGS. Her special interests are American genealogy and the use of computers in family history.

HARRY SKENE, MGS #1213

Joan Bailey using  
the m/f reader

Harry served as Treasurer of MGS in 1986 and has offered to act as a consultant in 1987. Harry is also involved with the Royal Scottish Country Dance Society and was Mayor of the "Mug Pub" at Folklorama 1986. His special interests are Scottish genealogy and computers.

WAYNE NEILY, MGS #430

Wayne is presently a French immersion teacher at Churchill High School. He edits "Problem Corner" in Generations and is a genealogical researcher for Peregrine Heritage Services. Wayne is currently a member of the Manitoba Environment Council.

---

PERIODICAL REVIEW (continued from page 16)

**Saskatchewan GS Bulletin**, Vol. 17 #3: WWI records of ancestors and how to get at them; emigrants from the western isles of Scotland from Ont. & Que.; cemetery transc. from Spy Hill and Boulder Lake cemeteries. Vol. 17 #4: Briarlea and St. Martin's Anglican Cemetery transcriptions.

**Scottish Genealogist**, Vol. 33 #2: list of members of the Wrights, Masons & Co. of Kirkaldy; a history of John Reid.

**Seattle GS Bulletin**, Vol. 36 #1: Increase Jackson's bible entries; German Ancestor Register listings; Scandinavian ancestor listings.

**Toronto Tree**, Vol. 17 #8: good article on LDS family registry; list of reciprocal researchers (mostly English countries which may be quite helpful to a lot of you).

**Twin Ports GS Branching Out**, Vol. 6 #1: Some graves of revolutionary soldiers; Woodlawn Cemetery, Wisconsin recordings continued.

**Whatcom GS**, Vol. 17 #1: Sunnyside Cemetery transc. cont'd; more students of Bellingham schools; 1860 census of Coveland, Island Co., Washington Territory.

**Wiltshire FHS**, Oct/86: An article on persons who will search Wiltshire indexes for a reasonable price; diary of Thomas Wilshere; history of Maud Heath.

# CEMETERY TRANSCRIPTION PROJECT

CEMETERY TRANSCRIPTIONS RECEIVED TO 15 OCTOBER 1986

COMPILED BY KATHY STOKES

CEMETERY	RURAL MUNICIPALITY TOWN OR CITY	CEMETERY	RURAL MUNICIPALITY TOWN OR CITY
